PROJECTS

Lumis – AI Academic Agent

2026

Figma · UI/UX · React Native · AI Prompt Engineering · Gmail API · Google Calendar API · Firebase

- Built full UI/UX and frontend for a natural-language AI agent connecting Gmail, Drive, WhatsApp & Calendar; engineered ML-powered automation workflows and all AI prompts for contextual, intelligent task execution

The Coincide – Payment Tracking App

2025

React Native · Figma · AI Prompt Engineering · Firebase · Python · SQL

- Designed end-to-end UI/UX; built OCR-powered bill splitting, AI-generated financial analytics, and gamified savings goals; crafted prompts for contextual AI spending summaries

100 Margins – 100-Day Public Writing Project

2026 (Ongoing)

Technical Content Writing · SEO Writing · Content Calendar · Substack · Instagram · LinkedIn · Canva · Notion

- Published 100 essays over 100 consecutive days on AI, ML, robotics, automation, and deep tech across Substack, Instagram, and LinkedIn, growing an independent cross-platform readership
- Managed weekly content calendars; optimised for SEO and audience engagement; produced blogs, newsletters, and social media posts simplifying emerging technology for general audiences; designed assets in Canva

SKILLS

Content & Writing: Technical Writing, SEO Writing, Blog & Newsletter Writing, Content Calendars, Storytelling, Brand-Aligned Content

AI & Deep Tech: AI Prompt Engineering, ML Concepts & Terminology, Automation, Robotics (conceptual), Deep Tech Research

Tools: Canva, Notion, Google Docs, ChatGPT, Substack, Figma, Python, SQL, Firebase, Git, React Native, HTML/CSS

Soft Skills: Public Speaking, Leadership, Remote Collaboration, Strategic Communication · English & Hindi (proficient)

EXTRACURRICULAR

- Founded BEAN Community: a 150+ member engineering student community focused on tech, startups, and career guidance; creates regular community-facing content and announcements
- Award-winning public speaker and orator. Consecutive wins across debate, elocution, and creative writing at inter-school literary fests; Joint Secretary, School Literary Club
